

Becoming a Friend

Why do we need Friends?

St Michael's church has been a focal point of the market town of Beccles for the past 600 years. Its survival for future generations is not guaranteed unless we raise funds to preserve and repair this beautiful, historic building to play a role in the lives of the people living in the Beccles area. This is not just for the benefit of those who worship here but those who love the building and desire to be a part in preserving it.

What is a Friend?

Becoming a Friend provides an opportunity for individuals to offer their support by joining us as custodians of this rich heritage. By joining the Friends you will help ensure the future of this historic building, preserving it for future generations and securing its future to play a role in the lives of local people.
